Report of Internal Evaluation & Outcome Records, 2020-21

There is a well planned Mechanism in place regarding the continuous internal evaluation system. In the beginning of the academic year, we prepare the academic calendar of the institution. There, we very clearly mention the time bound procedure and conduction of the activities to be taken for effective implementation of continuous internal evaluation system. A time table for the examination is prepared and communicated to the students in each class orally as well as by issuing a general notice for conducting the exams. We provide printed answer sheets to the students. For B.A. and B. Com. part- I, we gave two Home Assignments in each semester. For B. A. and B. Com part II and III we give assignments and Unit Test for each semester. The result of the internal evaluation is communicated to students. If there is any grievances related to outcomes, it is rectified after receiving a written request. The record of the outcomes is kept in the office of internal evaluation committee.

Review Report of Mentor-Mentee, 2020-21

There is mentor-mentee scheme in place in our college. We have allotted the mentor-mentee sheets and 50 students have been allotted per teacher. The students put their problems on related to both academic as well as no-academic to the teachers. We have a mechanism in place to deal with mentees problems. We try our best to solve the problems raised by the students. We prepare analysis report of mentor-mentees problems and take necessary action for solving their problems.
