Students Satisfaction Survey Report (2021-2022)

The students are one of the stakeholders of the institution. In order to obtain their feedback regarding overall functioning of the college, we designed questionnaire of 17 questions. The survey was conducted in the month of May, 2022.

Out of the total numbers of enrolled student's i. e. 881 during 2021-2022, 264 students responded. It means that 30% students responded. The response was elicited on four Points Scale stating with D to A. The responses were analyzed and forever that Scale 'A' got 47.12%, Scale 'B' got 25.52%, Scale 'C' 0.94% and Scale 'D' Zero. Total rating comes to 73.58% out of Scale A & D. The average/mean of the mean is 24.52%. The questionnaire format is enclosed herewith.

The survey questions include the parameters such as physical facilities, syllabus, redressal of grievances, ICC, course outcomes, exam, extracurricular and co-curricular activities, sports and cultural activities. From the responses given by students, it becomes clear that the students are extremely satisfied with the overall performance of the college.

In question no 17, the students were asked to give their suggestions for the improvement of the overall working of the college. These suggestions were put before the IQAC meeting and it was decided to take action regarding the suggestions made by students.

Slow and Advanced Learners

Report

2021-22

In order to find out the slow and advanced learners, we conducted test of the B. A. III students in the beginning of the academic year. The students who scored less than 35% marks were put in the category of slow learners whereas the students who scored more than 75% marks were put in the category of advanced learners.

For the slow learners we gave the home assignments, reading practice and remedial coaching with a view to upgrade them. For the fast learners we organized projects works and speech practices. At the end of the year we conducted a test for the slow learners. From the outcome of the test, it was proved that the slow learners improved in their studies.
