As per the aims and objectives of the NEP-2020 all educational institutions are going to be transformed in multidisciplinary teaching-learning centres. The Shivaji University has decided to implement the NEP-2020 from the academic year 2022-23, and has sent a communication in this regard. Some of the following steps will be taken.

i) Opening of Academic Bank of Credits:

Academic Bank of Credits (ABC) is a digital storehouse showing the information of the credits earned by individual students throughout their learning journey. Therefore, the ABC accounts of all the students entered in BA/B.Com/B.Sc. Part-I will be created in the first term.

ii) Skill Development:

Developing skills among the students is the crux of the NEP. Skill development programs aim to acknowledge the ability of the youth and provide them support which will help them to achieve their ambitions. We plan to organise the following short courses with a view to develop skill among the students:

- a) Training in Beauty Parlour
- b) Certificate Course in Proof Reading
- c) Certificate Course in Soft Skills

iii) Outcome Based Education (OBE):

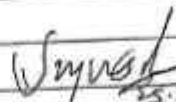

NEP focuses on Outcome Based Education. Therefore, we have to concentrate and implement the courses with a view to produce excellent students who will be able to work in the society.

Thus some preliminary steps we have to
