6.4.1: Institution has strategies for mobilization and optimal utilization of resources and funds from various sources (government/ nongovernment organizations) and it conducts financial audits regularly (internal and external)

S. B.Khade Mahavidyalaya, Koparde conducts two levels of regular financial audits every year, viz., audits by the office of the Joint Director of Higher Education (JDHE), Kolhapur Region, and audits by the college management carried out by an auditor appointed by the management.

External Audits:

The external audit is being conducted by the Chartered Accountant at the end of each financial year by M/S A. D. Shinde, Chartered Accountant. In the year 2017-18 the Joint Director, Higher Education Department, Kolhapur conducted the senior audit and the queries raised by him are being redressed.

The annual audits by the office of the Joint Director of Higher Education basically aims at verifying the utilisation of grant-in-aid received for meeting the salary expenses of the aided staff members of the college. In addition, the audit checks fee collection and compliance of the institution to the government regulations in conducting the aided programmes in the college. The audits check the financial statement submitted by the college, which includes salary disbursed to the aided staff, UGC and Government grants received by the college, and verifies the redressed, service registers, leaves taken by the staff, stocks register in departments, library, and physical education. The objections raised in the JDHE's audit are addressed by the college, following the government regulations.

Internal Audit:

The internal audit is conducted by the parent institute i. e. Sangrul Shikshan Sanstha, Sangrul once in a year. The internal audit committee suggests some measures in order to bring in discipline and clarity to the record keeping. The college tries to compliance the suggestions. The management of the college conducts annual audits of the income and expenditure of the

Tal. Karveer, Dist. Kolhapur

institution. The audit checks the deduction and remittance of tax from the salary of staff, TDS on contractors' payments, and professional tax paid to the state govt.

In addition, the management audit verifies the Employee Provident Fund (EPF) and Employees State Insurance (ESI) payments made by the college. The accounts of the funds received from various funding agencies like UGC by the college and individual staff members are audited by a Chartered Accountant before submitting the utilisation certificates, as per the regulations of the funding agencies. The objections raised in the internal audits are rectified by the accounts section of the college before the completion of the audit process.
