7.3.1: Portray the performance of the Institution in one area distinctive to its priority and thrust within 1000 words

The college was established with the noble aim of expansion and extension of higher education among the students, especially girls of the weaker sections of the rural society in the adjoining areas. The institution founders believed that by providing an opportunity of higher education was not enough. They believed that by diversifying the activities and by providing the students various opportunities they can seek “an all round development of the student community”. With more decreasing opportunities in the field of higher education, the institution thought that it can equip the students for facing various competitive exams that are conducted by the Union Public Service Commission and Maharashtra State Public Service Commission. With a view to provide the students an opportunity for the preparation of competitive examinations, the college has established “Competitive Exams Guidance Centre” in the college premises in co-operation with D. D. Asagaonkar Sports, Cultural and Education Trust, Sangrul. The trust was established in the Memory of late Guruvarya D. D. Asagaonkar Sir who was the founder Secretary of Sangrul Shikshan Sanstha. Each Year the regular student and the past students of the college in adjoining areas are admitted for the guidance classes and they are provided with both academic and physical training. In the academic year 2022-23, total 346 students were enrolled for the coaching and training. Out of them 39 students passed the various competitive examinations conducted by the national, State Boards and the Local Govt. Recruitment Authorities and were placed in the various establishments as follows

	Name of the Students with Reg. Numbers	Department in which placed
1.	Suhas Gunda Patil (Reg. No. 110101000402098)	Mumbai Police
